

1. Please provided the department of Mr. Filippo Garagnani, and please also add the city, country and postal code of the University of Modena and Reggio Emilia;

Done

2. On page 5 and 11, please confirm if the underline is unnecessary and can be removed;

Don't you like it? It was just a matter of style. I removed the undeline

3. On page 8, please confirm the if equation number (Line 19) is correct. same as all equations;

Well spotted. We checked them all.

4. In Figure 6, please use commas to separate thousands for numbers with five or more digits (not for four digits) in the picture;

Done

5. In Author contribution part, please add author contribution in detail;

We specified that all authors contributed equally to all activities related to this work. I do not think that the extensive list adds anything, anyway one could add: "including Conceptualization, Methodology, Software, Validation, Formal Analysis, Investigation, Resources, Data Curation, Writing – Original Draft Preparation, Writing – Review & Editing, Visualization, Supervision, and Project Administration"

6. Please provide Data Availability Statement;

Done

7. In References part, please add the location of the publisher;

We added them

8. For reference 27, please include the first ten authors' names before using "et al." in the references and please add web link of the reference.

The authors themselves have specified how they would prefer to be cited (<https://alkaline-ml.com/pmdarima/develop/citing.html>). We could not find any other details. We added the web link to the reference.
